

Donating Funds to Wycliffe Caribbean

When making a donation to Wycliffe Bible Translators Caribbean, there are a number of options, depending on your location. These options allow donations to be made from most places world-wide. For the time being options such as PayPal and GoFundMe do not work for the Caribbean due to the existence of certain local and international laws.

Please note that a **Wire Transfer** from anywhere outside of Jamaica is our preferred option and is fully supported by our banking and statutory regulations. In order to use this option we invite you to please send a message to director@wycliffecaribbean.org for the detailed instructions.
